Content			
Theme	Detail		
Interim Report	Haonan takes us go through the structure of interim report template version0. Discussion result is the below content: 1. Add Dave as module convenor 2. Personal introduction: everyone’ s role in the project		
Requirements	Yifei takes us go through the requirements document, we had the below discussion and doubts: Discussion result: 1. Every user should change their password every year.		

	<p>2. Reduce the web page redirection time.</p> <p>3. The key information needs admin' s verification when modified:</p> <ul style="list-style-type: none"> a. Module page <ul style="list-style-type: none"> i. Module name ii. Module convenor iii. Module credit b. Staff page: <ul style="list-style-type: none"> i. Staff name c. Course page: department header can change course page d. Faculty page & Home page: dean of faculty can change these pages. <p>Doubts to be solved:</p> <ul style="list-style-type: none"> 1. Do guest have to sign up using only and just the Nottingham email ? 2. Can we us email prefix to identify staff and students? Staff' s prefix is their name? students' prefix is number and letter. 3. What about the postgraduate students? <ul style="list-style-type: none"> a. Can we access the module catalog from official website? (we only have 7 or so courses for
--	---

<p>Prototype</p>	<p>postgraduate students)</p> <ol style="list-style-type: none"> b. Do their email prefix identical format identical to undergraduate students' ? c. Can Matt briefly introduce how postgraduate students study life is like in UNNC in Thur. meeting ? <p>Yongjing introduced the prototype for login and sign up page, and user' s personal page(mainly for undergraduate student at this stage). After discussion, we made the below decision:</p> <ol style="list-style-type: none"> 1. Version 1 prototype will not include advanced functions as below: <ol style="list-style-type: none"> a. Calendar b. GPA calculator c. Module forum d. Graduate students destination information 2. We will make module starred section separated from the "Year 1 2 3 4 and all" filter box. And the size for module exhibition will be (4 x 2). 3. Personal profile information contents will include: <ol style="list-style-type: none"> a. Username (stays the email prefix is the user doesn' t change)
------------------	---

	<ul style="list-style-type: none"> b. Course c. Year d. Email
Interview	Yuke introduced the mindmap for interview flow.
Documentation	<ul style="list-style-type: none"> 1. we agreed with the content, and the English version will be produced soon. 2. The time line can' s be decided at this stage, we will have a discussion for this on Thur. informal meeting.
UML diagram	<p>Zhihang introduced the UML diagrams.</p> <ul style="list-style-type: none"> 1. This is the overall structure of the sequence and activity diagram, the more specific version will be produced soon. 2. The class diagram will be produced soon, and usecase diagram will also be improved and perfected soon.
Next Meeting
